In the News: Your Wichita Public Library, is one of three Wichita organizations recognized for participation in Knight Cities Challenge. From a pool of over 7,000 Knight cities applicants, we made it through the first round - narrowed to 126 applications. *You really do make us special!*

Check out the Foundation's website, www.supportwichitalibraries.org for our newest video on the progress on the new Central Library. Please share with your friends and family. Help us answer the questions about why a new Central Library is so important to the future of our community.

Looking for additional ways to help – schedule a Foundation program for your favorite club or civic group. We will answer your questions about why a new Central Library is needed, how it will be different from the current library and how the entire community would benefit if it is built. Call 261-8523 or send an e-mail to me at foundation@wichita.lib.ks.us to schedule a presentation. *Thank you for all you do!*
