***In Memory of Marge Setter.*** Marge loved her library. Her leadership roles included serving as president of both the Library and Library Foundation boards and direction of the Foundation's National Endowment for the Arts Challenge grant. June 2012 marked her 20<sup>th</sup> year of service to the Foundation. As a direct result of her vision and direction, the Foundation has funded almost \$3.5 million in materials and programming for the Library. *She will be missed.*

***Please make the Library a special part of your life*** with a memorial or tribute. A memorial is a special way to remember a loved one who has passed away while sharing their memory with the community. Birthdays, anniversaries or graduations are wonderful occasions to recognize a special friend or family member. *A gift to the Foundation just keeps on giving!*

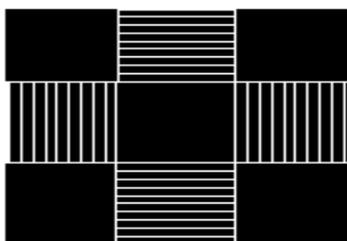

***Spotlight on Genealogy!*** Ever wondered about your family and needed resources to do the research? The Lawrence and Lucille Wulfmeyer Genealogy and Local History Collection on the lower level of the Central Library contains countless materials for family researchers. Did you know your Library holds the largest genealogy collection for a public library in the state?

Your library is always looking for additional materials. If you have genealogy resources, local history books, yearbooks or city directories you would like to donate, please call the Library at 261-8566. Your collections are a very valuable resource, so please don't throw them away. *Your help makes our Library special!*

***Check out all of the fun summer activities at your Library.*** "Mr. Stinky Feet," musician Jim Cosgrove, entertained hundreds of children during his four performances. He joined numerous other storytellers, puppeteers and even animals who visited the Library to showcase the "Dream Big: READ" theme. As part of the Summer Reading program, it's not too late to sign up or check out the programs happening in July. For details, call 261-8500 or the website [www.wichita.lib.ks.us](http://www.wichita.lib.ks.us). *See you at Summer Reading!*

***Love a good mystery?*** As part of the Senior Wednesday collaboration, the Library will explore different mystery styles and offer tips for finding a good mystery to read in this brief overview. Active seniors age 55 and over will get lots of ideas and hear about some of the hottest new titles at the Central Library at 1:30 p.m., Wednesday, July 11. *Find the clues to books you love from the Library's trained staff!*
